

## **Democratic Republic of Congo: Senior Project Manager**

Resources and Synergies Development sia develop and manage projects in Europe and tropical countries. R&SD sia provide managerial services to the Center for International Forestry Research (CIFOR) in the Democratic Republic of Congo. At present R&SD sia is assisting CIFOR to manage REFORCO Project “Appui à la Recherche Forestière au Congo” and FCCC Project “Forêts et Changement Climatique au Congo” funded by the European Union. R&SD sia is looking for a Senior Project Manager to replace the current incumbent who is leaving in 2015.

### **Duties**

The Project Manager shall work in close consultation with R&SD sia Managing Director. He/she will be responsible for implementing work programmes of FCCC and REFORCO Project in accordance with their logical frameworks and plans of operations agreed by the programme steering committees.

### **Profile**

The successful candidate will be a committed expert with a well-respected academic background and a solid experience, over ten years, in overseas project management, more particularly in French speaking Africa and Central Africa. The ideal candidate will also be a strong manager able to work across DRC, more specifically in Kinshasa, Kisangani and Goma.

### **Experience / qualifications**

- Substantial relevant experience in managing projects funded by the European Union in African countries;
- Proven academic experience, preferably in forestry, economics, business administration or equivalent area relevant to the project; a PhD would be an asset;
- Track record in working with multi-cultural teams in the scope of forestry, agroforestry or rural development projects in less developed countries;
- Fluency French and English.

### **Personal qualities**

- Polyvalent implementer and creative trouble-shooter;
- Strong commitment to forestry research and university teaching;
- Excellent managerial and communication skills;
- Good interpersonal skills and good academic networker.

Terms and conditions negotiable depending on experience and qualifications.

Letter of motivation and detailed CV (including referees and publications) to be sent before 31<sup>st</sup> of October 2014 to Christian Chaidron at: [c.chaidron@resynde.com](mailto:c.chaidron@resynde.com).
